Dear Parents,

As the English Language Coordinator of Sagesse College-ST. Maron-Jdeideh, it gives me an immense pleasure to announce that our school has been awarded **The British Council International School Award** for the scholastic year 2020-2021.

WHAT IS THE INTERNATIONAL SCHOOL AWARD?

The International School Award is a global accreditation scheme recognizing good practice in incorporating the international dimension into schools.

This is encouraged by supporting schools in collaborative, curriculum –based work with a number of international partner schools, involvement of the wider community.

As our International School Award journey continues, we will learn of new ways to develop and embed international education in our school.

Throughout this award, Sagesse College will be committed to impart **quality education of Global standards** through valued learning experiences.

We would like to thank all the parents for their continued support throughout The ISA Activities. You gave your kids the space to be creative, which made a huge difference in your children's education.

We promise to invest our time and energy in our nation's most valuable resource-**our students**.

It's a proud moment for all the members of our school.
